

**Improving education through
technique based fine arts training.**

With statistics as realities, we focus our attention on providing training in the fine and performing arts for youth in the Milwaukee community. The focus is on providing an outlet for fine arts growth, development, and student achievement.

MUSIC

Introduction to musical elements, including reading and writing notes and rhythms, major and minor scales, key signatures, intervals and triads. Ear training and piano skills are incorporated.

DANCE

Dance transmits culture, emotions, tells stories and can be a testimony of a historical moment or a place of origin in genres such as ballet, modern, jazz, and hip-hop.

VISUAL ART

The visual arts are art forms that create works that are primarily visual in nature, such as ceramics, drawing, painting, sculpture, printmaking, design, crafts, photography, video, film making and architecture.

THEATER

Theatre program explores various acting styles in both musicals and plays. It also teaches techniques such as voice projection, articulation, script reading, and writing.

SPORTS CONDITIONING

Physical sports training that allows your body to safely perform the physical demands with least possibility of injury with a combination of stretches, muscle toning and building exercises.

YOUNG BUSINESS ENTREPRENEUR

Professional class dedicated to teaching business terminology, marketing, and economics related to your business development.

FASHION

Modeling/Runway: Posing, posture, face control, runway walk training. Etiquette: Presentation, communication, confidence. Fashion Styling: Fashion Styling is creating fashion imagery that delivers the message of the designer.

BASICS OF NURSING FOR TEENS

Students learn the basic characteristics of nursing, common nursing duties, and the different types of nurses in the nursing field.
